# Flexstation Collection Options

Collaboration and functionality are vital in today's office environments. The open nature of freestanding desking fosters a sense of cooperation in any work space, with it's thoughtful features unique to Flexstation that make it ideally suited to the task. Optional accessories also make it easy to customize your Flexstation arrangement. We offer privacy screens, power up modules for easy access to power and data ports, and sit-stand workspace table as additional options. *If you have questions regarding paint, laminate, fabric, or configuration options please contact your Sales Representatives.*
