

ALT3™ Mesh Task Chair

FEATURES & BENEFITS

“What is Alt3 Mesh Task Seating?”

Alt3 seating targets constant lumbar support with attention to finish detail at a mid-market price.

Optional headrest and optional lumbar adjustment is available.

Back reinforced plastic frame with mesh insert.

Mesh pocket provides constant contact and support.

Height adjustable arms feature arm pads that pivot and extend.

Adjustable seat depth for leg support.

Pneumatic seat height adjustment lever adjusts height smoothly.

Back-tilt delimiter provides customized back flex.

Tilt-tension adjusts free-float tension to the specific user's size and needs. Turn clockwise to add more back tension or counter clockwise to decrease back tension.

Choose from black nylon or polished aluminum base.

Heavy-duty, dual-wheel, high impact casters allow Alt3 to move with ease.
