

# Breathe<sup>®</sup> Chair

## FEATURES AND BENEFITS

### “What is Breathe?”

Breathe is an economic task chair that provides state-of-the-art design, comfort, dependability and style. Breathe will be the correct fit for any end user or environment. Available with black frame only.

Optional headrest attaches securely to the top of the chair back (see brochure for more information).

Soft, contoured arm pad offers comfort for the user.

Mesh back design provides comfort, breathability and durability all surrounded by a reinforced back structure.

Polypropylene adjustable arm provides six separate adjustments throughout a 2.75” range.

Built-in to the sturdy back construction, the back lumbar support offers additional comfort with a 4” vertical adjustment range.

Soft, contoured seat provides maximum comfort with mesh fabric, or your choice of standard fabric on the seat only.

Breathe offers a synchronized knee-tilt mechanism with 2:1 back-to-seat ratio.

Positional lock lever will lock chair in 5 different positions throughout the tilt range.

Heavy-duty gas lift cylinder allows for smooth seat height adjustment.

Tilt-tension knob easily adjusts back tension.

Durable dual wheel carpet casters allow Breathe to move with ease.

Die cast aluminum base offers built-in anti-slip/scuff protectors.
