

EC6

MODERN

MEETS CLASSIC.

Inspired by the 1960s aesthetic and modern office spaces, the EC6 has a sleek, powerful shape that will take your office from hum-drum to buzzworthy.

EC6 635D-TC3

Stunning in any **space.**

The EC6 is unique among executive chairs, with our innovative adjustable lumbar support that is built into the chair's back. This feature provides a seamless look and easy user experience.

With eye-catching colors and upholstered leather, the EC6 provides a professional yet playful touch to any space. Its straight-forward controls, adjustable lumbar support, and optional dual-tone upholstery keep you in charge.

Unique, Stylish, Comfortable.

EC6 635
