E Base

**Features**

Powder-coated finish	•
Chrome finish	•
Folding legs	•

**SPECIFICATIONS**

**A Base Construction**

This system employs heavy gauge columns screwed to either formed steel or cast aluminum bases in fixed models. Folding columns are bolted onto stamped steel spider plates which are attached to tops.

**A Base Frames**

AH3 tapered pedestal base is 19 gauge steel. 3.0" diameter table column is 16 gauge steel. Tables spider is 8 gauge steel. AH4 disc pedestal base is .04" thick steel with welded reinforcement. 4.0" column is .06" thick steel. AH5 disc pedestal base is .04" thick steel with welded reinforcement. Table spider is .16" thick steel. 5.5" table column is 14 gauge steel. Above tables have adjustable glides that are 7/8" diameter black thermo-plastic. No tools are required for glide adjustment.

**E Base Construction**

The system employs tubular components in fixed or folding models. Includes T, TT and X leg style combinations. Top plate of 8" x 8" steel, with four holes for 1/4" diameter screws.

**E Base Frames**

1-3/4" round tubular steel feet, legs, plugs and stringer connectors. LX series is furnished with 3" o.d. seamless tubular steel column. All ends capped with steel plugs brazed in place, ground and polished smooth. Adjustable glides.

**M Base Frame**

Built of cast aluminum feet with heavy wall extruded aluminum columns (T and TT) or 2-1/2" diameter 14-gauge steel leg column (X) and highly durable, smooth powder-coated finish. Adjustable nylon glides are secured to the legs.

**M Base Construction**

This system employs heavy-gauge steel, cast and extruded aluminum components in fixed or folding models. M base includes T, TT and X leg styles. Folding table column and foot bolted to 3/16" solid steel plate with two 3/16" x 24" long through bolts. Folding base shipped k.d., folding base shipped assembled.

**P Base Frames**

The double pedestal base employs 14-gauge, 1-3/4" round steel upright columns and 16-gauge, 1-3/4" x 7/8" elliptical steel foot tubes in fixed or folding models. The P base includes T, TT and LX leg styles. LX bases consist of 14-gauge, 3" round steel upright columns and 16-gauge, 1-3/4" x 7/8" elliptical steel foot tubes. Folding table columns are welded to 1/4" thick, 8" x 8" steel plate. Bases are available in powder-coated or bright chrome finish with plastic trim pieces that are available in the same colors as the vinyl table edge colors. Plastic end caps are secured via a "force-fit". The column cap is secured via a rivet. Adjustable glides.

**S Base Construction**

This system employs double-column noncircular uprights on a horizontal base. It is offered in fixed and folding models. Composition includes T, TT, X and cantilevered configurations.

M Base

P Base

S Base

T Base

**Features**

Powder-coated finish	•	•	•	•
Chrome finish		•		•
Folding legs	•	•	•	•

**S Base Frame**

Base is built of double-column aluminum extrusion non-circular uprights. A flannel colored plastic (polypropylene) trim piece accents the bottom and a Flannel colored powdercoated steel trim piece accents the top of the uprights. Feet are extruded aluminum and endcaps are diecast aluminum. Uprights, feet and endcaps are powdercoated in all standard colors. Adjustable glides attach to feet. Trim pieces are available in flannel only.

**T Base Frame**

Built of 2-1/4", 14-gauge round tubular steel leg column with steel end cap and 16-gauge steel tapered legs elliptically swaged down to 1" diameter at end; highly durable, smooth powder-coated finish or chrome. Adjustable glides or casters are secured to the legs.

**T Base Construction**

This system employs heavy gauge tubular steel components in fixed or folding models. T base includes T, TT and X leg styles. Folding table column welded to 1/4" solid steel plate.

**Bright Chrome Finish**

Steel surfaces are duplex nickel-chrome plated in a twenty-two step process. This process is the same as is used in the automotive industry for exterior finishes.

**Polished Aluminum Finish**

Exposed aluminum surfaces are highly polished to harmonize with bright chrome plated finishes.

**Powder-Coated Finish**

Epoxy powder coating is electrostatically applied. The dry coating is then fused and cured in a baking oven to form a smooth, continuous film. Finish is chemical-resistant, hard, tough and mar-resistant.

**Leg Wireways**

Scuff-resistant, high-impact rigid PVC plastic. Two separate wire channels per leg. Fastened to legs with full length adhesive bond. Black only. One wireway per leg. Shipped assembled. Two leg wireways per top. Not available on 18" x 60" fixed base tables, 18" x 60" and 24" x 60" cantilevered base and folding tables.

**Grommets**

Plastic grommets are 3" diameter and recessed into table top. Cap is removable and has retractable slot cover. Two grommets per top. Grommets not available on 18" x 60" fixed base tables, 18" x 60" and 24" x 60" cantilevered base and folding tables.

**PRICING INFORMATION**

Prices shown are List Prices Standard Discount Method for Products in this Price List for all BSI Customers: 56% Discount for Product Only For dock delivery add 5% of net price. For installation add an additional 8% of net price.

**SHIPPING**

Packing/Shipping shall be at the discretion of BSI and is dependent upon sizes and quantities in each order.

Specifications and prices may be subject to change without prior notice.

## Buying from BSI can make a real difference.

You are supporting Wisconsin companies, which add to the tax base and employ our taxpaying citizens.

You are helping save taxpayer money through promotion of successful reintegration of offenders into our communities.

You are promoting environmental responsibility through the use of "green" products and development of alternative fuels.

Revenues earned are reinvested in recycling initiatives to keep our landfills safe of pollutants.

Revenues are used to develop meaningful vocational programs for training inmates for release.

You are helping us make our institutions safer by reducing inmate idleness.

Low Prices!

It's Quick and Easy!

One stop shopping for a wide variety of quality products.
