

SNAP™ Task Seating

High Back Task with T-Arms

High Back Task with Loop Arms

High Back Armless Chair

Snap High Back Chair

If you need seating in a snap, Snap Task Seating is just what you're looking for!

This cost-effective line offers value, comfort, reliability and an incredible delivery schedule.

Snap seating offers so much more than your average task chair. Because of its molded foam construction, lumbar pillows for back support, sculpted seat, and the perfect combination of soft seat and firm back, Snap chairs are the most

comfortable chairs in their price range. Beyond its construction, Snap seating delivers a multitude of adjustments to fit the needs of individual users. Snap allows users to adjust back height, back pivot, arm height, and on some models, seat depth and seat and back angle.

It's more than you would expect from a value line of seating.

Interchangeable loop or t-arms are fully adjustable. Height and width adjustable arms are available on all Snap models.

Snap's loop arm is fully adjustable. Adjust height and width to individual user preference.

Contoured seat and back cushions add comfort and durability.

The Snap seating line offers a variety of mechanism styles and functions. From simple back height and back-depth to multi-function seat and back angle adjustments.

SNAP™ Task/Guest Seating

Low Back
Armless Chair

Stool

Sled Base Guest Chair

Snap Low Back, Guest & Stool

Snap has six chairs that range from task chairs, to guest chairs and stools. Chair mechanisms are made of heavy-gauge steel plates and are securely attached with six bolts. Five-star bases are fiberglass reinforced nylon and all hardware is treated with Nylock patches to prevent loosening over time. In other words, Snap seating is built to last.

Whether you need seating for a new computer lab, or you have an administrative team starting in a week, Snap Task Seating is everything you need in a task chair, and more.

Some Snap models offer back height and seat depth adjustments to accommodate a variety of users.

A durable poly back shroud complements Snap's unique design.

Stylish sled base is equipped with non-skid glides. Chair features a back depth and back height adjustment.

Snap's stool option features a 26" base. Foot ring is available in black or chrome finish.
