Polycarbonate Over Laminate

Your artwork is output on vinyl, then laminated between a polycarbonate over lamainte and an aluminum backer. The Aluminum backing is .080 aluminum or PVCA.

High Pressure Laminate

It is green to the core. Environmentally friendly process and products. Recycled paper content. Water-based inks

Regular Frames available with Wood Post (supplied by Customer) or Aluminum Post (Add \$174.99)

Regular Frames: Come standard with a 4" x 4" square tubing brackets of the back of the frame to fit over customer supplied 4" x 4" wood posts. Customer may request either a 45, 60 or 90 degree viewing angle. Frames 18 x 24 and under have one mounting bracket, all others have 2.

Aluminum post mounting provide 4" x 4" aluminum post, 48" tall welded to the back of the sign frame, and two 48" steel tubing posts (3" x 3") with mounting plates to be installed in ground to support the aluminum posts and sign. Customer chooses a viewing angle of 45, 60, or 90 degrees. **Aluminum post mounting adds \$174.99 to the base price**

Cantilever Frames (Add \$199.99)

Cantilever mounting provides two 2" x 4" cantilever side posts welded to the sides of the sign frame, and two 48" steel tubing posts (3" x 3") with mounting plates to be installed in the ground to support the cantilever posts and sign. Customer chooses a viewing angle of 45, or 60 degrees. **Cantilever mounts adds \$199.99 to the base price**

All sign frames come powdercoated standard in black.

Custom colors are available in both powdercoat and painting. Call for color matching and price quoting.

Pedestal Frames (\$99.99 for sizes 9"X12" up to 24"X24")

Pedestal interpretive mounts provide a flat plate for sign mounting (no frame), with a 48" tall aluminum 4" x 4" post, and 48" steel tubing posts (3" x 3") with mounting plates to be installed in ground to support the aluminum posts and sign. Customer chooses a viewing angle of 45, 60, or 90 degrees.

Pedestal mounts are \$ 99.99 for any size from 9" x 12" up to 24" x 24".
